

Platinum Management Services

You just won't find a better management company to help you keep your investment property in tip-top condition. We concentrate our efforts on making your income properties profitable and in preserving and enhancing their values as well.

As your property managers we will:

- * Develop advertising and place ad's.
- * Show your property, interview and screen prospective tenants.
- * Prepare lease contracts, collect security deposits and 1st month's rent.
- * Perform move-in inspections and prepare inventory check-list.
- * Collect and deposit rent monies.
- * Provide monthly statements to owners.
- * Perform periodic inspections of premises and arrange for any necessary maintenance or repairs.
- * Provide the tenants with any necessary assistance regarding maintenance concerns or complaints.
